

# OGLESBY PARKS AND RECREATION

## *REC BASKETBALL LEAGUE*

Parents:

Welcome to the City of Oglesby's 2019 winter recreation program. The goal of our youth recreation program is to provide children with opportunities to learn and develop sports skills in a safe, healthy, fun-filled environment. In our aim to accomplish this, we are asking ALL parents to please drop off your child at the appropriate scheduled time and pick them up when they are finished.

GAME 1 – 6:10-7:00PM

GAME 2 – 7:00-7:50PM

GAME 3 – 7:50-8:30PM

Parents are welcome to observe the final regular season game their child plays in the REC Basketball League, FAMILY WEEK. This is the night that your child needs your support the most. The rest of the nights during the programs, we will be teaching the fundamentals to the children and encouraging them to have FUN and learn to enjoy the sport of basketball.

Our intent is not to discourage the parent's active involvement with their children; however it is much easier to teach them when the parents are not critiquing their every move. They do not need the additional pressure placed on them when they are learning many things for the first time. The children will get more out of the game of basketball if they are allowed to have FUN while learning and formulate their own opinions of the game.

I hope you understand that providing a **FUN** and rewarding experience is the **MOST** important thing we are trying to give your child while teaching the basics of basketball.

THANK YOU for your UNDERSTANDING and COOPERATION!

## RISING STARS FUNDAMENTALS PROGRAM

Parents:

Welcome to the City of Oglesby's 2019 winter recreation program. The goal of our youth recreation program is to provide children with opportunities to learn and develop sports skills in a safe, health, fun-filled environment. In our aim to accomplish this, we are asking ALL parents to please drop off your child at the appropriate scheduled time and pick them up when they are finished. Times and schedules have changed a little this year. Please drop your child off no earlier than 5 minutes before the scheduled time and pick up no later than 5 minutes of scheduled time.

Parents are welcome to observe for the first night of the program (to see what the program offers and ask any questions you feel necessary), and the last night of the Rising Stars and Rising Stars Jr. program, which is FAMILY NIGHT. The children will be recognized for completing the program. These are the nights that your child needs support the most. The rest of the nights during the program, we will be teaching the fundamentals to the children and encouraging them to have FUN and learn to enjoy the sport of basketball.

Our intent is not to discourage the parents' active involvement with the children; however it is much easier to teach them when the parents are not critiquing their every move. They do not need the additional pressure placed on them when they are learning many things for the first time. The children will get more out of the game of basketball if they are allowed to have FUN while learning and formulate their own opinions of the game.

I hope you understand that providing a FUN and rewarding experience is the Most Important thing we are trying to give your child while teaching the basics of basketball.

Thank You for your Understanding and Cooperation!
